

International Circle of Educational Institutes of Graphic-Media Technology & Management

57th Conference of the IC:

8-11 September 2026, Grenoble, France

<https://lgp2.grenoble-inp.fr/en/scientific-life/52nd-international-research-conference-of-iarigai>

Theme of the Conference:

Connecting The Dots Between Print & Education

Call for Papers

The International Circle of Educational Institutes of Graphic-Media Technology and Management (IC) is pleased to announce the organization of its 57th International Conference. The conference is jointly organized with iarigai and hosted by Grenoble INP - Pagora and the LGP2 (Laboratory of process engineering for biorefinery, bio-based materials and functional printing) in Grenoble. France, September 8-11, 2026.

Participants who want to present a paper at the conference, should submit an abstract (approx. 300-500 words) containing 3-5 keywords. The abstract should be sent to the chairman of the conference scientific committee, Anastasios Politis (politismedia@gmail.com).

The deadline for submitting an abstract is 30 April 2025.

The IC scientific committee will review the abstracts received and select papers to be presented at the conference. All submitted papers must be original, new, independently written by the authors and not published before anywhere else.

The topics of this year's conference include:

- Education and training in Graphic Communication - Printing and Packaging sector
- Business and economics in Graphic Communication - Printing and Packaging sector
- The future of Print Education
- Competence structures and student/ graduate recruitment
- Prepress, premedia, and cross media technologies
- Management, workflow and industry innovations
- Color and color management
- Advances in printing technologies
- Industrial and functional printing
- Circular economy and sustainability
- UX-UI Interaction Design // Graphic Design
